Do not let anyone look down on you because you are young, but set an example for the believers in speech, in life, in love, in faith, and in purity. 1 Tim. 4:12

## PRINCIPAL'S PONDERINGS

In May, our homeroom classes started a new mental health resilience building program called, Open Parachute. We are trying the program for a few weeks this year, so that we can build an informed plan for the upcoming year. During our Open Parachute session this week, my grade 12 students were presented with a person's story about generational trauma from residential schools and now foster care. After taking in this very difficult topic, students were then asked how they can make positive change in the world – a classic question that can be daunting and seem unattainable. Rather than have each of them declare that they would become lawyers or social workers that would rebuild the Canadian legal system or seek to rebuild trust between groups of people, I asked students to consider their attitude toward litter. One positive change for them might be to pick up the garbage they notice in the hallways. Reflecting together I encouraged the students to consider how they might leave every place they go, in a better state than they found it. The conversation has since reminded me of Mother Teresa's teaching about spreading the fragrance of Christ in all we do. Her hope is captured in the first part of her Fragrance Prayer shared here:

*Dear Jesus, help us to spread your fragrance everywhere we go.*

*Flood our souls with your spirit and life.*

*Penetrate and possess our whole being so utterly,  
that our lives may only be a radiance of yours.*

*Shine through us, and be so in us,  
that every person we should come in contact with  
may feel your presence in our soul.*

*Let them look up and see no longer us, but only Jesus.*

May we all consider how we can spread the fragrance of Christ. And hey, maybe some of our students will do great work for our society as lawyers and social workers.

## BOARD NOTES

Thank you to all who attended our annual Society meeting in May. Our Board would like to welcome our new members, Andrea Thalen and Becky Kooiker. Hendrik deGier will also be doing one extra year and I will be doing another three year term. Thank you to Steven Wildeboer and Werner Brouwer for your work on the board. We are grateful for the time and energy that you were willing to put into our school.

The Strategic Plan Committee hosted a Focus Groups night in May that was attended by over 25 people. Gayle Monsma from PCCE joined and gave helpful instructions and advice on how to get the most of our conversations. We split into small groups and discussed topics like community involvement, programming, tuition etc. It was a helpful resource for our Strategic Plan Committee. We now have summaries of all of the conversations and will be meeting with the Board to start creating our Strategic Plan. Thank you to all who participated in our focus groups!

In Christ,

Cindy Ekkel, Board Secretary

## STAFF SPOTLIGHT

Welcome to a new feature of the newsletter, Staff Spotlight! Each month we will send one staff a little questionnaire for them to fill out and then share their answers with you. We hope you enjoy this new feature and get to know the staff a little bit better..

Q. What is your name and what is your role at CACHS? A. Adrian Van Loo. I teach Social, English, PE, Bible and a few other courses. I have also been a staff associate for the Boys Volleyball and Hockey teams and am currently coaching the Boys Soccer team.

Q. What is the most embarrassing thing you have ever done? A. Hmm, that's a tough one, cause I have embarrassed myself a lot. I guess I would say that telling the story of my proposal to my wife is embarrassing. I did the cliché "my shoe is untied trick", got down on one knee and popped the ring box out of my pocket. But I didn't open the box. So my wife sort of stood there wondering if I was going to do anything more than that. It was, overall, rather clumsy and awkward. I'm glad she looked past the incident and decided to give me a shot.

Q. What was the last song you listened to? A. Everyone's a VIP To Someone by The Go! Team.

Q. Describe your dream holiday. A. A

nice mix of relaxation and activity. Somewhere warm preferably. I like to relax in my time off, but I don't want to sit around for the entirety of a holiday. I would read, maybe play some games, but also go on hikes and sightseeing tours. I would try to ensure that I took my wife out to a few nice dinners. Try as many different food places as possible. Now I just want to go on a holiday.

Q. If you could give a piece of advice to your younger self, what would it be? A. Trust in God more, He has a plan, and it is good.

Q. Is it ever ok to waste time? A. Of Course! Even time wasting has a purpose. I'm a firm believer in taking time to relax, and it isn't a waste of time to find rest. There is always a time and place though. As an accomplished procrastinator, I can safely say that you have to choose your time wasting moments wisely.

Q. Do you prefer dogs or cats? A. Dogs, because cats make my nose run and my eyes water. Also dogs are sweet and kind.

Q. Would you prefer to always be slightly late or always be an hour early? A. An hour early. I think the cool

answer is to say slightly late, but being late gives me a slightly anxious feeling.

Q. Describe your house in one word? A. Family.

Q. What year would you visit if you had a time machine? A. Hoo boy, I am having a hard time answering this. For me, it's a toss up between 26 AD (the start of Jesus' ministry) and the year my mom's grandparents immigrated to Canada. The year Jesus' ministry started is pretty obvious, but the year my grandparents immigrated to Canada would allow me to see them at a difficult but adventurous time in their lives. It would let me see my uncles and aunt as kids, and allow me to know my grandparents (I never met my grandpa).

Q. If you could have an endless supply of food, what would it be? A. Pizza, easy. It's a perfect food.

Q. What is your current cellphone wallpaper? A. A picture of my wife holding my sleeping son.

Q. Who should be featured in our next Staff Spotlight and what do you admire most about them? A. Shalyn Lindballe. She is helpful, caring, and always puts forth her utmost effort to help both her students and fellow staff.

## STUDENT OF THE MONTH

ISABELLE PRINS is a grade 10 student who has already brought so much life and energy to the school. She is a leader on school council, an inquisitive mind in the classroom, and a strong athlete on the court. Izzy played volleyball, basketball, and handball this year. She has also helped lead the school in worship on the praise team. Congratulations, Izzy - we look forward to seeing the gifts God has given you continue to blossom throughout the rest of high school!

## CACHS CATERING

The time has come for CACHS Catering to come to an end. It is with regret that we need to say that we are finished catering. We will honor the commitments that we have made for 2022, but are not taking any more bookings. A huge thanks to the MANY people who have volunteered alongside us, especially our seniors who have helped us with our food prep, setting up at the event and helping serve and do dishes. Over the past half year we have asked multiple times for more help and specifically for people who would be willing to learn to step into the role of coordinator for CACHS Catering. Several persons stepped forward but the time commitment was greater than what fit in their schedules.

CACHS Catering has been a huge benefit to the school over the many years that it has been in existence. The community has also benefitted with the delicious meals served for birthdays, anniversaries and wedding celebrations. Those of us who have served in CACHS Catering have had lots of fun together. We have tried new recipes, learned new kitchen skills and mostly we have forged new friendships. Thank you from the bottom of our hearts for all your support over the years. We are sad to see this era end but we cannot carry on with no one to replace us.
