PRINCIPAL'S PONDERINGS

School monitoring is a public assurance process that Alberta Education completes every three to five years with independent funded schools like CACHS. This October we completed the school monitoring process, which included officials reviewing the organizational structure of the school; school policy alignment with current legislation; examples of teacher unit and lesson plans aligning with curriculum; and a one day on-site inspection that included interviewing various school stakeholders. School monitoring potentially has an ominous “big brother” feel to it, and with it being only my second year as principal I was uncertain of what to expect. However, the monitoring process was anything but ominous, and instead was a rich and encouraging experience for our Board members, Mrs. Vander Veen and myself in particular. On October 5th, two Alberta Education officials toured CACHS, reviewed student office files, and interviewed students, support staff, teaching staff, Board members, and myself. The last hour of their day was scheduled for debrief with our Board members and school administrators. During our debrief time we were informed of some minor adjustments needed to policies to keep up with current legislation, but the majority of the conversation was Alberta Education expressing their admiration for CACHS. In particular they celebrated the welcoming, caring and unified school culture apparent to them from the moment they entered our school – “this place is a real community” was something they mentioned a few times. Furthermore, they were impressed with the variety of programming we offer, even saying that schools with 300+ students offer less academic and extracurricular options than we do. To sum up the day it was a huge “pat on the back” for Mrs. Vander Veen and myself that we feel is not our own to receive because we have only taken over running a school that was set up well. We would like to pass on a congratulations to the founders of CACHS who set a solid mission and vision for our school, continued in excellence by the Society and staff, and passed on to us by excellent previous administrators Mr. Vanden Pol, Mr. Brandsma, and Mr. Hoekstra. Without a doubt the Lord has been faithful to His people as He continues blessing our school, even blessing us with government officials that appreciate Christian education. Mrs. Vander Veen and I are grateful for His blessing and the Society’s continued support as we together pursue excellent independent Christian secondary education in Central Alberta.

They celebrated the welcoming, caring and unified school culture apparent to them from the moment they entered our school - "this place is a real community"

BOARD NOTES

This time of the year brings with it the start of our annual CACHS Fall Drive. This year the goal amount has been increased to \$200,000 and the funds raised will be used to help with program funding, debt reduction, the Long-term Sustainability fund and as needed. Please prayerfully consider how you can financially support CACHS and help us to continue providing quality Christian education to all of our students.

Representatives from Alberta Education came to CACHS for a day this past month to check in and evaluate the education provided at the school. We received a very positive report from the representative and it was very encouraging to hear the feedback received from Alberta Ed. concerning the quality of education and the positive school culture and environment they witnessed while they were in the school. We are thankful for the continued positive leadership provided by our administration, specifically Travis and Jenna, here at CACHS.

Thank-you to the Development Committee along with the staff members who put on a parent information evening this past Thursday. The event was put on as a result of feedback received in creating the Strategic Plan. The goal of the evening was to inform and educate parents of current and future CACHS students on the use of PowerSchool, graduation requirements, post-secondary requirements, course selection, athletics, and extracurricular activities offered at CACHS. Various staff members spoke on each of the topics. The evening was valuable and informative and the Board will evaluate and decide at our next Board meeting whether to make this an annual event.

Our next Board meeting is Monday, November 28. If you have any questions or concerns please contact a board member or email me at secretary@cachs.ca

"Therefore, my dear brothers and sisters, stand firm. Let nothing move you. Always give yourselves fully to the work of the Lord, because you know that your labor in the Lord is not in vain." 1 Corinthians 15:28

STAFF SPOTLIGHT

Q. What is your name and what is your role at CACHS?
A. Ann Oudman. Secretary - and all that the

position encompasses. Everything from A - Z some days!

Q. What is your favorite place? A. That is a hard question - probably a toss up between home (Alberta) and The Netherlands.

Q. What is the strangest gift you have ever received? A. Probably a very large used macrame plant hanger. The intention was good, but it was regifted many years later.

Q. What would you do if you knew you could not fail? A. Hmmm - climb a mountain, write a book, drive a race car, but probably finding a cure for so many

diseases would be top of my list.

Q. If you could take 3 things to a desert island, what would they be? A. Depending on the island - 1. Family and/or friends 2. Books/music 3. Food & drink

Q. What is the worst holiday you've ever been on? A. I can honestly say I've never been on a "worst" holiday.

Q. Do you prefer mornings or nights? A. Mornings!!

Q. Would you rather travel back in time to meet your ancestors or travel to the future to meet your descendants? A. I'd love to travel back and meet my ancestors, as my parents immigrated from the Netherlands to Canada in 1948. I never knew my grandparents or extended family and although I've been to the Netherlands many times and have met many of my family members I would have loved to have known my grandparents and more of my aunts and uncles.

Q. Would you rather have

invisibility or flight? A. Flight

Q. If you could immediately gain one skill, what would it be? A. Is it a skill or something that I need to continue to work at? Get through my "to do" list(s)!

Q. What's your favorite family tradition? A. Christmas Eve gift opening with the family. It doesn't always fall on Christmas Eve but whatever day it falls on and works for the family is a fun afternoon/evening of eating, drinking, gift opening and socializing.

Q. Who is your favorite cartoon character? A. Bugs Bunny or any of the Looney Tunes characters.

Q. Who should be featured in our next Staff Spotlight and how would you describe them in one word? A. Kevin Reed - but he can't be described in one word. Kevin is a very genuine, positive, caring, sharing, compassionate, insightful, understanding, empathetic and listening Christian man and friend.

DAY 3: WED. 22 MARCH: Cairo

This morning, we will have our first breakfast before beginning our day of sightseeing which will include:

Pyramids of Giza – Truly magnificent! Not only can you stand on these great testaments to ancient engineering, but you can walk through the passageways of the Great Pyramid to its inner core, the Great Chamber.

Great Sphinx – To this day, there is much debate over who built this large monument and in whose name it was dedicated to. Regardless, the Great Sphinx has stood the test of time and is a wonder to see.

Egypt Museum – Host to over 120,000 artifacts, there is much to see including the famous Tutankhamon collection.

Coptic Cairo – The Hanging Church and early Christianity. Traditional location of where Mary, Joseph and Jesus stayed during their time in Egypt.

Once back at our hotel, we will enjoy dinner and relaxation. **(B, D)**

DAY 4: THU. 23 MARCH: Exodus to Mt. Sinai

This morning, we embark on a symbolic voyage as we make our own EXODUS towards the Promised Land, traveling across the Sinai desert, arriving at the foot of Mt. Sinai by late afternoon.

Here, we find St. Catherine's Monastery built upon the traditional site of Moses' encounter with the Burning Bush.

Dinner will be at the St. Catherine Plaza Hotel this evening. **(B, L, D)**

DAY 5: FRI. 24 MARCH: Mt. Sinai, Red Sea

For those of you who wish to do so, you can ascend Mt. Sinai for sunrise. A truly unique and spectacular moment!

For those less energetic, you can enjoy a morning of relaxation.

This afternoon, we leave for the Red Sea where we will stay for one night and enjoy the surroundings, including optional snorkeling, for which it is famous!

This evening, dinner will be at our hotel, the Sol Taba Red Sea Hotel. **(B, D)**

DAY 6: SAT. 25 MARCH: Cross into Israel, wilderness and Tabernacle

This morning, we leave Egypt and cross over into Israel.

Once we are in the land of "Milk and Honey", we meet our Israel guide Isaac Dorenbusch. Our journey through the Zin Valley and Judean wilderness reminds us of the terrain endured by the lost children of Israel.

Timna Valley – This unique area of geological formations is rich in copper. Experts believe that this is the area where Solomon mined for copper. Whilst here, we shall visit the **Wilderness Tabernacle Model**. This full scale reproduction model is accurate in every way to the dimensions described in the bible. Don't look for any gold, silver or bronze, as those materials are not used in this exhibit!

Bedouin Tent – Before arriving at our Dead Sea hotel, we visit with a local Bedouin community living in the Judean wilderness.

Early this evening, we arrive at the David Spa Hotel located on the shores of the Dead Sea. Dinner will be at our hotel this evening. **(B, D)**

DAY 7: SUN. 26 MARCH: Masada, Dead Sea

After breakfast, we stay in the Judean wilderness and follow the shores of The Dead Sea to visit:

Masada – This UNESCO World Heritage site was once Herod's mountain top palace and fortress. Here, we ascend to the site by cable car and learn about the last Jewish stand against the Romans and the mass suicide of the 960 Jewish defenders.

Ein Gedi – This national park and oasis hosts the caves of David's Gorge where David hid from Saul and his army. (I Samuel 24; Song of Solomon 1:14; Ezekiel 47:10)

The remainder of the afternoon will be left open for you to enjoy the unique properties of the Dead Sea.

Dead Sea – No visit to the Dead Sea would be complete without experiencing the unique buoyancy of these waters. Cover yourself in therapeutic black mud and float your aches and pains away!

Dinner will be at our hotel this evening. **(B, D)**

DAY 8: MON. 27 MARCH: Dead Sea Scrolls

Today, we leave the Dead Sea and head towards the Upper Galilee. En-route, we shall visit:

Qumran – It is here that the Dead Sea Scrolls were found. Here, we will visit the excavated sites of Qumran and view the location where The Scrolls were found in 1947.

Bethany by the Jordan – Here, we stand by the banks of the River Jordan, where John the Baptist baptized Jesus. (Matthew 3:13-17; Mark 1:9-11; Luke 3:21-22; John 1:29-34)

Bet She'an – The largest of Israel's archeological digs. Even after its initial discovery many years ago, archeologists are today still discovering more ruins from the Roman era when Bet She'an was one of the 10 cities in The Decapolis.

This ancient city, although destroyed by an earthquake in the 8th Century offers a fabulous insight into Roman life and times. After losing the battle to the Philistines, King Saul and his sons were hung from the city walls. (I Samuel 31:10)

Yardenit – In this river where Jesus was Baptized, you have the opportunity to be Baptized or have your Baptismal vows reaffirmed.

From Yardenit, we take the short drive to the shores of the Galilee. Dinner will be at our hotel. **(B, D)**

DAY 9: TUE. 28 MARCH: Upper Galilee and Sea of Galilee and Boat Ride

After our Israeli buffet breakfast, our day involves visits to the heart of Jesus' Ministry:

Tel Dan – This national park and archeological site offer a blend of Israel's natural beauty and Biblical history.

Caesarea Philippi – Built at one of the sources of the Jordan River, the City of Panias (named by the Greeks after the goat-footed god, Pan) was later renamed by the Romans as Caesarea Philippi. It was here that Jesus revealed to the Disciples His purpose, His Church and where Peter identified Jesus as the Messiah. (Mark 8:27; Matthew 16:13-23)

Nimrod Castle – This stunning Crusader castle offers awe inspiring views of the plains of Lebanon and the upper Galilee.

Ginosar – Here, we will visit the **Jesus Boat Museum** exhibit. Discovered by accident during the drought of 1986, this fishing boat would have existed at the time of Jesus. Beautifully preserved, it is a timeless reminder of life during that time. The museum has a gift shop with quality items on sale!

Sea of Galilee Boat Ride – We end our day with a memorable time in our private boat on the Sea of Galilee.

After a truly memorable day, we return to our hotel for dinner and overnight stay. **(B, D)**

DAY 10: WED. 29 MARCH: Galilee and Nazareth

After breakfast, we stay in the Galilee visiting:

The Mount of Beatitudes – Sit on the hill where Jesus delivered his Sermon on the Mount. Looking directly south at the Sea of Galilee, the flower filled gardens offer peace and tranquility. (Matthew 5:1-8)

Capernaum – The center of Jesus' Galilee! Jesus lived here for a substantial period, healing the sick, preaching in the synagogue and performing miracles. The Greek Orthodox Church, Franciscan Monastery and Roman Catholic Church of St. Peter make for an interesting kaleidoscope of varying architecture. (Matthew 9:1; 4:13)

Church of the Primacy of Peter – It is here that Jesus appears to his disciples for the third time after his resurrection on the shores of the Sea of Galilee. The night before, Peter and several other disciples had sailed out on the lake to fish but caught nothing. In the morning, a man appeared on the shore and called out to them to throw their net on the right side of the boat. Doing so, they caught so many fish they couldn't drag the net back into the boat. At this point, Peter recognizes Jesus and promptly jumps out of the boat to wade to shore to meet him. (Matthew 16:18)

Nazareth – Here is where Jesus spent his childhood with Mary and Joseph. Nazareth is also the site of The Annunciation and where the Nazarenes attempted to throw Jesus over the cliff. Now a suburb of Nazareth, Cana is the site where Jesus performed his first miracle when he changed water into wine at a wedding. (Luke 1:26-38; John 1:46; Matthew 2:23)

Our day ends by travelling "up to Jerusalem" where we check-in to our hotel. The Grand Court Hotel is home for the remainder of the journey. Dinner will be at our hotel. **(B, D)**

DAY 11: THU. 30 MARCH: Jerusalem

Our first full day in Jerusalem includes the following:

Davidson Centre – This new facility uses state-of-the-art technology to bring the Temple Mount to life. This will give us a better understanding of the magnitude of Herod's construction versus what we see today.

City of David – We will be guided through the site and new excavations of the City of David. You will have the opportunity to walk through Hezekiah's tunnel and re-surface at the pool of Siloam.

Western Wall and Tunnels – Also called The Wailing Wall. The holiest place of pilgrimage for the Jews. Here, we can observe the Orthodox Jews pray relentlessly along with many Christians.

Yad Vashem – Israel's national monument memorial and museum to the Holocaust.

Scale Model of Jerusalem – This fabulous reconstruction of the old City of Jerusalem gives us a chance to better understand the importance of the second temple and the city during Herodian times.

Shrine of the Book museum – Here, we can see many original fragments of the Dead Sea scrolls plus a replica of the great Isaiah scroll.

Dinner is at our hotel this evening. **(B, D)**

DAY 12: FRI. 31 MARCH: Jerusalem

After breakfast, our last day of the journey includes visits to the following:

Mount of Olives – We begin our day by viewing Jerusalem from the Mt. of Olives. Photo opportunities abound at this time with the Golden Dome of the Rock prominent. From here, we shall walk down to The Garden of Gethsemane along the same path as that Jesus took when entering the city on Palm Sunday.

Garden of Gethsemane – The site where Jesus prayed at the Rock of Agony in the Garden – “*My Father, if it is not possible for this cup to be taken away unless I drink it, may your will be done.*”
(Matthew 26:36-56; Mark 14:32-50; Luke 22:39-53; John 18:1-14)

House of Caiaphas – Located under the current St. Peter of Gallicantu Church is the traditional site where Jesus was imprisoned.

Holy Sepulcher Church – Stations X-XIV on The Via Dolorosa.

Garden Tomb – Preserved by The Garden Tomb Association, these beautiful gardens surround the traditional site of The Garden Tomb. Many believe that this was the actual garden of Joseph of Arimathea. (John 19:41)

Tonight is our ‘Farewell dinner’. A wonderful time to share and reflect on a truly inspirational journey. **(B, D)**

DAY 13: SAT. 01 APRIL: Journey Home

Early this morning, we depart for Tel Aviv airport and morning departure to Calgary. Complimentary in-flight service will be provided throughout the return journey. **(B, L)**
